When I was a little girl we had a neighbor, a man, who liked to cook. One day he brought over some of his vegetable soup, and it was so delicious that my mother asked him for the recipe. Since then, it's been one of our favorites.

by Janet Campbell

MR. LATHAM'S VEGETABLE SOUP

(Hearty Family Soup — A Complete Meal) 2 lbs. beef shank cuts

3 qts. water

1 tbsp. salt

1 bunch celery, including leaves

2 medium onions

3 medium potatoes

1 No. 2 can tomatoes 1/2 cup rice or barley

4 large carrots Wash vegetables. Peel potatoes and onions. Scrape carrots. Put celery, carrots, onions, potatoes through meat grinder, using coarse blade*. Put all ingredients except tomatoes and rice or barley in large kettle. Cover. Bring to a boil. Reduce heat and simmer $2\frac{1}{2}$ to 3 hours. Add rice or barley and cook at slow boil ½ hour more. Add tomatoes. Makes about 4½ quarts. If soup becomes

Local Govt. Reform

Michigan is tackling the job of reforming local government to conform with the U.S. Supreme Court's one-man, one-vote order on apportionment. This in itself would be difficult enough, but it is complicated because at the same time the state is undertaking the implementation of its new constitution's clause on home

rule. 1965 is the year of decision on apportionment. The circuit court at Grand Rapids has announced that it will act to enforce reapportionment of county boards of supervisors unless the Legislature corrects the present violations of the U.S. Supreme Court's new rule this year. At present county supervisors who represent townships on county boards of supervisors violate the one-man, one-vote rule because their townships vary in population. From herein supervisors must represent equal numbers of population.

This is expected to be reformed by keeping the supervisor as the head of township government, but electing members of the county board not from townships, but from county representative districts of equal population. This will permit large reduction in the number of supervisors, if this is desired. Some U. P. boards are now unwieldy with members, Wayne downstate has Industry Honors more than 200.
